

Marian Magic 2012

to benefit

Marian Middle School

Marian Middle School is the only all girls Catholic school in the St. Louis metropolitan area serving urban youth. Our mission is to break the cycle of poverty by fostering the spiritual, academic, social, moral, emotional, and physical development of adolescent girls in preparation for college preparatory high schools. Last year, over 400 attendees enjoyed wonderful live and silent auctions, artwork and entertainment by the girls of MMS, and a fabulous 3-course dinner to benefit Marian Middle School.
